PROFILE

Results-driven Digital Content Specialist with 7+ years of experience in the education sector, specialising in digital content strategy, multimedia production, academic content development, and brand communication. Experienced in managing digital content and creative initiatives for RV Learning Hub, driving institutional branding, audience engagement, and educational outreach. Previously contributed to scaling the UNACADEMY JEE YouTube channel from 500K to 2M+ subscribers through SEO optimisation and strategic content management. Skilled in video production, graphic design, studio operations, live streaming, and digital marketing, with a strong focus on creating engaging, impactful content that strengthens brand presence and drives organisational growth.

WORK EXPERIENCE

RV Learning Hub
2023 - PRESENT

Senior Executive, Design & Media

- Led the creation of promotional and academic creatives, including posters, brochures, flyers, banners, and other promotional materials
- Produced high-quality multimedia content including videos, infographics, webinars, presentations, and digital learning assets.
- Managed studio operations, live streaming, video production, and conference setups to support institutional events and academic programs.
- Collaborated with academic, marketing, and creative teams to deliver engaging, accurate, and brand-compliant content within deadlines..

Unacademy
2019 - 2023

Associate Manager, Content

- Developed academic content and designed creative templates including short videos, GIFs, thumbnails, Instagram posts, channel banners, presentations, and PDFs to support online teaching initiatives.
- Created engaging GIFs, illustrations, and infographics for use in YouTube channels and educational presentations.
- Took full ownership and end-to-end management of YouTube channels, ensuring consistent branding, content quality, and audience engagement.
- Organised and maintained a centralised content repository for educational presentations and promotional creatives, ensuring easy access and version control.
- Led the growth of the UNACADEMY JEE YouTube channel from 500K to 2M+ subscribers through strategic content management and audience-focused initiatives.
- Optimised YouTube channel content for SEO, utilising third-party tools and analytics to enhance reach, engagement, and discoverability.

TOOLS

- Canva, Adobe Photoshop, Illustrator, Figma, Premiere Pro, YouTube Studio, VidIQ, Tube Buddy, Google Analytics, WordPress. Google Suite, Ms Office
